#### B. Definition

A grievance is defined to be a question, problem, or disagreement which arises concerning (1) the interpretation or application of any provision of this agreement with respect to wages, hours, or working conditions of a secretary or secretaries covered by it, (2) an alleged violation of any provision of this agreement.

#### C. Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement between the Association and the School Committee. In the event a grievance is filed on or after June 1, which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.

Level I: The grievance shall be presented in writing by the secretary or the Association to the principal or immediate supervisor involved with the objective of resolving the matter informally. Such grievance shall be presented within ten (10) school days of the occurrence on which the grievance is based, or within ten (10) school days of the date on which the secretary had knowledge or reasonably should have had knowledge of the occurrence. If invited by the grievant or the administrator involved, a representative of the Association may participate. If a grievance affects a group or class of secretaries without a common supervisor, the Association may submit such grievance in writing to the Business Manager directly, and the processing of such grievance will be commenced at Level II with the time limits specified above.

Level II: If a satisfactory decision has not been rendered in writing within ten (10) days after the meeting with the principal or supervisor, the grievance may be submitted in writing to the Business Manager within ten (10) days after the receipt of the written grievance in an effort to resolve the grievance.

Level III: If a satisfactory decision has not been rendered in writing within ten (10) days after the meeting with the Business Manager, the grievance may be submitted in writing to the School Committee within ten (10) days of the expiration of said ten (10) days. The

School Committee shall meet with the grievant and/or his representative within ten (10) days of

the receipt of the written grievance in an effort to resolve the grievance.

Level IV: If a satisfactory decision has not been rendered within ten (10) days after meeting with the School Committee, the Association may submit the grievance to the American Arbitration Association for arbitration in accordance with the applicable rules of the American Arbitration Association within fifteen (15) school days next following the conclusion of such period of 15 school days. The award of decision made by the arbitrator shall be final and binding on the School Committee, the association, and the aggrieved secretary; providing, however, that no such award or decision shall be inconsistent with any applicable provision of this contract or in conflict with any applicable law. Further, the arbitrator shall have no authority to decide upon questions involving the discharge of a secretary. The expenses of said arbitration shall be shared equally by the School Committee and the Association.

#### D. Miscellaneous

1. If at the end of ten (10) school days next following the occurrence of any grievance or the date of first knowledge of its occurrence by the secretary affected by it, the grievance shall not have been presented at Level I of the procedure set forth above, the grievance shall be deemed to have been waived; and any grievance in course under procedures as hereinafter set forth shall also be deemed to have been waived if the prescribed action required to present it to the next level in the procedure shall not have been taken within the time specified, unless such time limits have previously been extended by mutual agreement.
2. If a secretary covered by this contract shall present the grievance informally without representation by the Association, the Association shall be permitted to be present and be heard at such presentation.
3. No written communication, other document, or record relating to any grievance shall be filed in the personnel file maintained by the Dartmouth Public Schools for any secretary presenting such a grievance.
